SVCCU Employee Spotlight

Maxon Herbold

Summer Intern

My name is Maxon Herbold. I am a Junior at Woodbury Central in Merville. I live in Lawton with my family; my parents and twin 10 year-old sisters. I have enjoyed working at SVCCU since May of 2024.

I also enjoy being involved at my high school. I am in choir, band, theater, speech and student

council. In my spare time I like to play guitar and piano, dance with Dianne's Dance in Merville, and perform in theater productions at both my school and at the community theater. This year will be my second year performing with the Sioux City Youth Symphony Orchestra as the primary percussionist and I also had the opportunity to play with the All-State Iowa Jazz Band last April.

I truly enjoyed working with the staff at the Morningside Branch of SVCCU this summer and look forward to continuing to work this school year. I was excited to use my first paycheck to buy a Hoffner Bass guitar (just like Paul McCartney's from the Beatles!). I can't wait to continue to expand my guitar collection!

Sioux Valley to cut NSF Fees in 1/2!

Effective October 1st, 2024 SVCCU will reduce their Non Sufficient Funds (NSF) Fee from \$30 to \$15. The SVCCU Board of Directors realizes mistakes can happen in life, and the NSF fee is an area where they feel the credit union can help our Members who may make that accounting mistake. The economy and high inflation have caused hardship for many in our community and this is an area that may help some of our members out.

Sioux Valley will be Closed...

In addition, our phone system will be down until 10:00 a.m. on the 3rd Thursday of each month. We apologize for any inconvenience this may cause you.

Donations for Breast Cancer Awareness will be accepted at all three SVCCU locations during the month of October

Please help us raise money in October for Breast Cancer Awareness by donating at any of our three local branches! Every year Tina Heard heads up our annual event to raise money locally for June E. Nylen cancer center. Driven by her passion to help others who have been, or may be diagnosed with breast cancer, Sioux Valley holds a jeans day each Friday with all proceeds from staff and members going directly to the June E. Nylen Cancer Center. What a great way for all of us to join in supporting those in our community suffering from cancer!

amazing contributor to our city, and thank you to the Iowa Credit Union Foundation for providing this essential grant!

Annual Meeting – 71st Celebration a Success!

Sioux Valley celebrated the election of three incumbent Board Members on August 24th. The annual meeting was

held in Sgt. Bluff with a deliciously catered meal from Aggie's. The children enjoyed a very large "bouncy house" and received awesome prizes, while the adults put their minds to work with multiple rounds of trivia. Dessert, along with a large number of prizes were awarded to adults once trivia was completed. Everyone enjoyed a fantastic evening!!
