Sioux Valley Community Credit Union partners with Siouxland Humane Society!!

SIOUXLAND
HUMANE
SOCIETY

In November of this year Sioux Valley partnered with the Siouxland Humane Society. Our Morningside location set up a display of merchandise that you can purchase, and 100% of the proceeds go right back to the Siouxland Humane Society! This is another example of how Sioux Valley Community Credit Union is working with local non-profits in our community to help them be successful. Frankie, Tina and the rest of your Sioux Valley team are quite passionate about this great organization!!

Sioux Valley Community Credit Union will be closed the following days:

New Year's Day - Monday, January 1, 2024
Martin Luther King Jr - Monday, January 15, 2024
President's Day - February 19, 2024

SVCCU Employee Spotlight

Clarissa Hoferer

Digital Marketer

My name is Clarissa and I create, review, and develop content for Sioux Valley Community Credit Union's pages on social media on a part-time basis. I'm the second of four children and have lived and traveled in several countries aside from the U.S.A. I met my husband who is a native of Iowa

while looking for graduate programs and we have been married for almost three years. I recently completed my third Masters (TESOL/Spanish) from UNI as a non-traditional student. Aside from being a language enthusiast, I like taking pictures of the nature among other subjects, trekking, spending quality time with my husband, listening to music, and practicing yoga when I can. I have also worked as an Editor and Global Social Media Community Manager for a money remittance company among other private and public entities before joining SVCCU.

Elis Gardun

Bilingual Member Representative I

My name is Elis Garduno. I started working at Sioux Valley when my husband and I moved back to Sioux City in August. I enjoy spending my free time with my family. I couldn't have found a better place to work at!

Attention Winter travelers!!

If you have a Sioux Valley debit card or Mastercard you must notify Sioux Valley when you plan to travel outside of your home state! Failing to do so will get your card shut down on you. Sioux Valley needs to know each State you will be traveling through as well as your destination and when you will return. Safe travels and don't forget to contact Sioux Valley before you leave!!

If you would like your Sioux Valley mail sent to a winter address, you must notify one of our representatives to update it for you. This must be done even if you have a forwarding address on file with the post office, as to protect your personal information. Financial statements and cards will not be forwarded.

And we couldn't be prouder in our continuous and unwavering support for organizations who believe in people helping people than by presenting them with this check for causes we both truly care about.
