Do you have an auto loan at SVCCU?

Exciting news! We are switching our Collateral Protection Insurance (CPI) to State National starting August 1st. Any collateralized loan with SVCCU requires full coverage insurance with Sioux Valley CCU listed as lien holder. If we do not receive this, our carrier will enforce our policy to your loan and your monthly payment will change to cover this. This covers only our collateral. Please have your own insurance to avoid this. Your payment will go up and we do not want that to happen, but it is necessary if you do not have your own insurance on the collateral. Any questions please contact Danielle or Tina at 712-274-7828.
