Instant issue cards and Contactless coming soon!

Sioux Valley Community Credit Union is excited to announce that instant issue cards as well as contactless pay features are coming soon! With this exciting update, we will be increasing the replacement card fee for SVCCU cards that may be lost, broken, or have a defect after use.

Effective soon, the fee for issuing a replacement card at Sioux Valley Community Credit Union will increase from \$10.00 to \$15.00.

This adjustment helps cover rising production and processing costs and ensures we can continue providing reliable card services in a timelier manner.
