Contactless Cards Are Here!

As of May 11th, all new Sioux Valley Community Credit Union debit cards are now contactless. Contactless cards provide a fast, secure, and convenient way to make purchases by simply tapping your card at participating merchants. If your current debit card expires, your replacement card will automatically be mailed as a contactless card. If you'd like a new contactless debit card before your current card expires, you can request a replacement card for a \$15 replacement fee.

We have two more exciting card upgrades coming. Contactless credit cards are currently in the testing phase. We are also working toward Instant Issue debit & credit cards, which will allow members to receive a new card right in our office instead of waiting for it to arrive in the mail. We hope to have these services available by the end of summer.

We look forward to bringing these exciting improvements to our members and will continue to provide updates as new services become available

SCAM ALERT!

SCAMMERS ARE GETTING MORE CREATIVE, AND WITH NEW AI TECHNOLOGY, THEY CAN EVEN COPY THE VOICE OF SOMEONE YOU KNOW!

Always **VERIFY** before you act!

Be wary of calls from unknown numbers, unexpected calls, or requests to keep the situation secret.

Call them back on a number you know.

Scammers rely on panic to prevent rational thinking. Take a breath and ask questions.

On Thursday, June 11th, we hosted a Bike & Scooter Rodeo for local youth and families! 🚲🛹

Participants enjoyed a fun afternoon of learning about bike and scooter safety, received free helmets, and cooled off with some ice cream.

Thank you to our partners—Premier Credit Union, Opportunities Unlimited, MG Insurance, the Woodbury County Sheriff's Office, and the Sioux City Police Department—for helping make this event a success. We appreciate everyone who came out and joined us for a great afternoon!
